

Prayer For Self Deliverance

You need to go to a quiet room by yourself and pray to the lord.

Repent of any and all sins in Jesus name. (Out loud if possible)

Then say **I renounce these behaviors and any spiritual attachments that came with it in Jesus name.** (It must be done in Jesus name or it has no power. We can't get rid of attachments ourselves, only Jesus has the power to intercede on our behalf. Remember he is our attorney in the court of God.)

Next, pray **I rebuke these behaviors and spiritual attachments in Jesus name.** I'm going to put the definitions of renounce and rebuke at the bottom of this page so you can see what they mean and how they apply (The definitions really helped me anyway)

The most important step is the last step. Say - **In Jesus name I command any spiritual entities and demonic entities that have attached to me through the sins that I have repented of to leave. I apply the blood of Jesus to my life and I command you to leave in the name of Jesus Christ.**

Then I recommend a prayer like this - **Heavenly father now that I've cast these evil spirits out of my life, Lord I pray that you would fill me with your Holy Spirit. I pray Lord that you would fill the spiritual gaps in my life with your word and your spirit, so that when I am tempted, I will have the power to overcome them. In Jesus name amen.**

Rebuke - to criticize someone strongly because you disapprove of what the person has said or done. (In our case we are rebuking the sin and the spiritual attachment)

Renounce - to say publicly that you no longer own, support, believe in, or have a connection with something. (You can see why saying it out loud is important.)
